FOR IMMEDIATE RELEASE:

**Reverend Praba Pilar of the Church of Nano Bio Info Cogno  
Providing Church Services in New York City - April 4<sup>th</sup> and 7<sup>th</sup>, 2011**

**Reverend Praba Pilar**, divinely inspired leader of the *Church of Nano Bio Info Cogno*, is ascending on New York City in April, 2011 to preach to the uninitiated.

Inverting phobic cries for a pre-cautionary principle, her Church proclaims the liturgy that drives these technologies – Nanotechnology, Biotechnology, Information Technology and Cognitive Neuroscience - forward into the neoteric millennium.

Her techno-worship offers fantastical prophesies, outrageous sermons, incantations, cyborg rituals and a freshly minted techno-communion with the post-human singularity, speeding the shock waves of the future.
